## Touring Park

### Beachside Tranquillity

Channel View is a family run park situated on the beautiful Somerset coastline. We are the only touring park on Brean Sands that offers beachside pitches with uninterrupted views of our golden sands and dramatic headland.

### On Site Facilities

We offer a choice of electric and non electric pitches for tourers, motorhomes or tents. Our facilities include toilet and shower units, disabled toilet, washing-up area, chemical disposal point, ice-pack freezing and free access to the beach! Well behaved dogs are welcome and are free to run on the beach all year round, however we do ask they are kept on a lead whilst on the park. We also offer secure caravan storage.

### Off Site Facilities

There is a convenience store, launderette, café, bar and restaurant within walking distance and many more facilities just a short drive away.
