

# Happy Days

## Caravan Park

Happy Days is the perfect setting to enjoy your holiday home. We are a small family owned and run park ideally located in the quieter area of Brean.

The park is only a stones throw away from the local amenities including convenience stores, post office, laundrette, restaurants and just a 5 minute walk to the beach.

The grounds are carefully maintained to create a relaxing place for you to stay. There are 30 privately owned holiday homes occupied from March to October.
